# Health and Social Care in Lancashire

Lancashire  
Enterprise Partnership

Like the rest of the UK, Lancashire has an ageing population (with the number of people over 65 set to rise by 23% in a decade) and more people with complex care needs living longer. Also, Lancashire's residents are generally less healthy than the national average.

This means that demand for health and care services is set to continue rising – creating a range of employment opportunities for young people.
