SECTION 1 – CONTEXT

This policy sets out Lostock Hall Academy's aims and objectives in relation to Special Education Needs and Disability (SEN/D).

1.1 Introduction

All members of staff, in conjunction with the authorities, (Governing Body and Local Authority) have a responsibility to ensure that every pupil has an equal opportunity to attain their maximum potential in all aspects of the curriculum. Pupils are entitled to a broad and balanced curriculum, including the National Curriculum (incorporating personalised provision), and their relative progress will be recorded, valued and reviewed.

1.2 Definition of Special Educational Needs and Disability (SEN/D)

Pupils have special educational needs if they have a difficulty in accessing the curriculum, temporarily or more long-term, which calls for special educational provision to be made for them.

Pupils have difficulty accessing the curriculum if they:

- Have significant difficulties in learning in comparison with the majority of children of the same age.
- Have a disability¹, which prevents or hinders them from making use of educational facilities of a kind generally provided for children of the same age.
- Pupils who experience difficulty in accessing the curriculum may also have a particular gift or talent. This is addressed through the Gifted and Talented Provision, in addition to provisions made for their specific need.
- Special Educational Provision may be triggered when pupils fail to achieve adequate progress, despite having had access to a differentiated programme. Parents* and staff will be informed that the child has special educational needs and appropriate provision identified to meet the pupil's individual need(s) will be made.

Lack of adequate progress may be indicated by:

- Little or no progress despite the use of targeted teaching approaches and a differentiated curriculum.
- Working at levels significantly below age expectations, particularly in Literacy or Numeracy.
- Presenting persistent emotional and / or behavioural difficulties, which have not been managed by appropriate strategies usually employed.
- Sensory or physical impairments that result in little progress despite the provision of appropriate aids or equipment.
- Poor communication or interaction, requiring specific interactions and adaptations to access learning.

* (Throughout this policy, "parents" should be taken to include all those with parental responsibility, including corporate parents and carers).

¹ See some example of definitions of disability at the end of this policy document

1.3 Curriculum Support [Provision] is achieved by:

1. Identifying and assessing individual pupil's needs.
2. Reporting of pupils' needs to all members of school staff.
3. Providing an appropriate curriculum, taking into account:
 - National Curriculum and examination syllabuses
 - Continuity and progression
 - Departmental development plans.
4. Delivering an appropriate curriculum, taking into account:
 - Suitable teaching materials
 - Effective, differentiated teaching strategies
 - A supportive learning environment
 - Encouraging a positive self-image.
5. Providing learning support through:
 - Curriculum development
 - Support teaching
 - Bespoke training
 - INSET.
6. Using outside agencies where necessary and appropriate.
7. Monitoring individual progress and making revisions where necessary.
8. Ensuring that parents/carers understand the process and involving them in the support of their child's learning.
9. Encouraging pupils with SEN/D to actively participate in all decision making processes and contributing to the assessment of their needs, meetings and transition process.
10. Making regular reports to governors regarding SEN/D issues to raise awareness and to aid implementation of processes and procedures
11. Teachers and Teaching Assistants collaborating effectively.

2.3 Inclusion

At Lostock Hall Academy, all pupils irrespective of ability, race, gender or need, are respected and valued as individuals. This is reflected in the schools organisational and curriculum structure, its assessment and rewards systems, the arrangements made for careers' education and work experience. Pupils with SEN/D are integrated and included fully into the life of the school as a whole, including its social and cultural activities.

The school believes that:

- the needs, rights and entitlements of individual pupils are the focus of both an educational and social environment;
- staff are entitled to an effective and supportive environment, consistent quality training, an effective learning environment and good quality advice;
- the SEND pupil's family and school community should work in partnership to achieve the best possible outcomes.

2.4 Complaints Procedures

Initially, all complaints from parents or carers about their child's provision is made to the SENDCO, who follows this up with relevant staff. However, if a parent or carer is not satisfied with the response given, the Complaints Procedure outlined in the school's website may be followed.

PART 3: IDENTIFICATION, ASSESSMENT AND PROVISION

3.1 Identification

The school uses the graduated response as outlined in “The Code of Practice (2014)”. To help with this process a variety of screening procedures are used, which are then disseminated to teaching staff via the SEN/D area.

New Intake Pupils in Year 7.

a. Primary Liaison

Partner primary schools are visited / contacted throughout the year prior to transfer. Any pupil identified as having a “learning difficulty” and who is on SEN Support or has an EHC plan is referred to the SENDCO. Contact is then made with the primary school.

The LA notifies school about pupils who are transferring with EHC plans in the spring of their year 6. Where practicable, the SENDCO attends their Annual Review to ensure a smooth transition is made. At this meeting, the SENDCO becomes the Lead Professional for the child with an EHC plan. The transition coordinator frequently attends Year 5 and Year 6, when notified. Relevant information is disseminated to teaching staff before transfer.

b. Initial Screening

A range of tools and opportunities are available to assist in the identification of SEN/D for new pupils. These include:

- KS2 tests
- Reading, spelling, writing tests
- Core subject baseline tests
- Tests undertaken by the SENDCO as identified
- Screening in Other Year Groups
- Other screening tests are administered when required

General Identification

Staff Observation

- Members of staff consult with the SENDCO if they notice pupils who may need specialist help during the school year. Evidence for that concern must be produced, prior to any testing and / or additional intervention being undertaken.
- The SENDCO may then ask for additional diagnostic assessment to be undertaken for other professionals.

Referrals by Parents or Carers

- A pupil's parent may express concern. Once information is gathered the process is the same as for staff referrals.
- All parental referrals are acted upon

3.2 Provision

Teaching pupils with SEN/D is a whole school response. Central to the work of every teacher and subject is a continuous cycle of planning, teaching, assessment and evaluation that takes account of the wide range of abilities, aptitudes and interests of the pupils. The majority of pupils at Lostock Hall Academy learn and progress through these differentiated arrangements.

A Graduated Response is adopted for pupils identified as having SEN/D. A level and type of support is provided to enable the pupil to achieve adequate progress. Provision is identified and managed by the SENDCO but is planned and delivered by teaching and support staff.

Graduated Response

Wave 1: Quality First teaching by all teaching staff.

Wave 2: Is initiated where pupils have failed to make adequate progress as identified by the SENDCO through the assessment arrangements as in 3.1. Criteria for Wave 2 includes:

- Low Numeracy / Literacy scores
- Level 3 or below in Key Stage 2 SATs
- Teacher's observations
- Primary Teachers' comments
- Concerns from staff or parents

Provision from within the school's resources is identified to help meet the pupil's needs. Interventions may include:

- Additional learning programmes such as Literacy and Numeracy
- Smaller group sessions.
- Appropriate teaching groups / sets.
- Group support on a regular basis.
- KS3 Numeracy, Literacy and science booster classes, where appropriate.
- Additional staff training.

Wave 3: Where pupils fail to make adequate progress, despite additional provision at Wave 2, the school seeks advice and involvement from external support services. These services are requested to:

- Provide specialist assessments.
- Give advice on teaching strategies or materials.
- Provide short-term support or training for staff.

The Pupil Profile Sheet is revised and new strategies are put in place following the involvement of pupil and parents. Should the assessments identify that the pupil requires additional provision on a regular basis for an extended period then the school will apply for additional resources. The application will be evaluated against criteria established by the LA.

Statutory Assessment / Statements

If a pupil fails to make adequate progress and has demonstrated a significant cause for concern, the school and/or a parent/carer may decide to request that the LA undertakes a statutory assessment. This may lead to the pupil being provided with an EHC plan.

The SENDCo is responsible, on a daily basis, for providing support and mentoring, allocates pupils with statements a specified amount of support. The process of target setting, monitoring and reviewing remains the same as at Wave 2 and Teaching Assistants are fully involved.

3.3 Pupil Profile Sheets and Reviews

The strategies that will be employed at Wave 2, Wave 3 and for pupils with EHC plans are recorded in the Pupil Profile and Tracking Sheets reflecting provision that is additional to, or different from, normal differentiated provision. Not all pupils with SEN/D have a Pupil Profile, their progress is closely monitored.

Contents of the Information Sheet include:

- Access Arrangement information
- Teaching strategies to be used
- Additional provision to be put in place
- Along with data referring to attainment and specific needs.

The Pupil Profile is communicated to all staff who support the pupil's learning, and to the parents or carers and the pupil.

Pupil Profile Sheets are constantly reviewed and updated, but also form part of the formal review process following consultation with teaching staff and new targets identified. Prior to review, teaching staff return the completed target sheet containing:

- the steps they have taken to help pupils achieve their targets
- Current assessment information
- Observations
- How well the targets have been achieved
- Future concerns / targets

3.4 Continuous monitoring of individual progress

Monitoring of individual progress is completed rigorously and individual reviews, screening tests and through procedures described in the School's Assessment Policy.

3.5 Provision of an appropriate curriculum

Through their departmental development plans, the SEF and in conjunction with SEN statements, provision for pupils with SEN/D is regularly reviewed and revised.

It is the responsibility of individual department at the school to ensure that the requirements of the National Curriculum are met for those pupils with SEN/D in partnership with the Learning Support Department.

3.6 Provision of Curriculum Support

The Learning Support Department can help subject areas in the following ways (although this is not an exhaustive list):

a. Curriculum development:

- Planning with individual members of staff / departments.
- Selection / design and preparation of suitable materials
- Selection / design of teaching strategies.

b. Support teaching:

This is achieved by working collaboratively with a subject teacher. The SENDCo can assist by:

- Planning appropriate programmes of work.
- Preparation of relevant and differentiated materials.
- Team and individual teaching.
- Helping to facilitate a wide range of teaching and learning styles.
- Evaluating and reviewing what has been achieved.

c. Withdrawal

Some pupils with special educational needs may be withdrawn 1:1 or within small group sessions or to use technological support; the withdrawal of pupils is kept to an absolute minimum, in accordance with Lostock Hall Academy inclusive ethos.

d. In-service Training

The SENDCO provides INSET for NQTs and other new staff at the school on Code of Practice procedures at Lostock Hall Academy.

Individual departments can ask for INSET from the SENDCO as required, for specific purposes or generic training.

Whole-school INSET, focusing on specific needs is included, where appropriate, on staff training days and during twilight sessions.

3.7 Allocation of Resources

The school is funded to meet the needs of all their pupils through its core budget but is additionally funded to support provision for SEN/D through:

- Deprivation and underachievement factors, based on the number of pupils receiving free meals and those underachieving on entry.
- Funding for specific pupils to meet their assessed needs
- Delegated and designated budgets
- Also, in some part, the Pupil Premium
- Capitation:
 - The SENDCO is allocated a departmental capitation each financial year.
 - Individual departments are responsible, through their own capitation allowances, for identifying subject specific materials or resources for pupils with additional needs.

Additional induction days are arranged as required for all pupils with SEN/D and vulnerability factors. The records of pupils who leave at the end of Year 11 are kept and stored in school.

SECTION 5: MONITORING AND EVALUATION

5.1 Monitoring and Evaluation Measures

The degree of success of the policy and its implementation will be evaluated using the following indicators:

- Recorded views of pupils and parents or carers, particularly at meetings.
- Recorded views by teachers on pupils' competence, confidence and social acceptability.
- Measurable or observable gains from pupils, particularly in terms of set targets, screening tests and other assessments carried out where appropriate and examination results.
